Sir,

Subject - Byelaws for Licensing the Bamboos and Timber Trades in Mysore City

With reference to your letter No L 307/Ml 112-42-57 dated 8th July 1943 regarding the above, I have the honour to state that the proposal made in the letter under advertance, to include the Byelaws framed, under the existing Byelaws for regulating the "Dangerous and Offensive Trades", were placed before the Municipal Council at their meeting held on 31-7-1943 when they resolved that it may be disposed of by circulation Accordingly an office note (copy enclosed) containing the proposed amendments to the existing Byelaws together with the connected record was circulated among the Municipal Councillors The proposal having been approved by a majority of the Councillors, the enclosed proceedings were recorded

The amendments now proposed do not materially alter the substance of the Byelaws already notified in the Gazette and therefore it is perhaps not necessary to republish the byelaw The Municipal Advocate and two of the Councillors are of opinion that this should be republished This may kindly be examined again and if corsidered necessary, this will be republished I request you kindly to obtain early sanction of Government to the amendments of the Byelaws as proposed, as in this case immediate action is necessary to shift the trade to the new

OFFICE NOTE

Separate Bye-laws had formerly been proposed to be introduced for licensing Bamboo and Timber Trade The office note regarding the reply received from the Government in the matter and the Municipal Advocate's opinion thereon is enclosed

The Law Secretary has proposed that the proposed Bye-laws may as well be incorporated under the existing Byelaws only and the Municipal Advocate suggests that the following additions be made-

In Chapter XXIV of the printed Bye-laws for Dangerous and Offensive trades

1 Under Bye-law 2(a) add 'Bamboo and Timber' as item No 10

2 Add the following proviso under first para of Byelaw No 5

"Provided that in the case of Bamboo and Timber Trade, no such trade shall be carried on except in the place or places specified from time to time by the Municipal Council "

3 Insert the words 'and sand' in Byelaw No 8(4) after the word 'Water' in its first sentence

4 Substitute the word 'on' for 'out' in the first line of Bye-law No 8(5)

The Municipal Advocate suggests a republication of these Byelaws but as the Bye-laws have already been published and what is now proposed by Government is only where the particular items have to come in the existing Byelaws, I do not think any republication is necessary A resolution adopting the above is appended herewith and this may kindly be approved

Resolution - 'Read Letter No 307-M1 112-42-57 dated 8th July, 1943 from the Government suggesting that for the reasons stated in their letter, action may be taken to modify the existing byelaws for dangerous and offensive trades in force in the city Municipality by adding 'the sale of bamboos, etc ,' therein and effecting other necessary changes and send up the same for th approval of Government '
